Toys and Dolls Exhibit Opens

The Museum's Exhibit team gathered some favorite toys and dolls from

our collection and have displayed them in a new temporary exhibit. On display in the temporary exhibit area between the Sports and Military sections at the museum (and we get to drop some names here) vintage toys such as trains, marbles, toys of war, Raggedy Ann and Andy dolls, dominos, teddy bears,

Mr. Potato Head, Legos, Troll dolls, roller skates, Rock 'em Sock 'em Robots, Crayola crayons, Little Golden books, Cracker Jack, Lincoln logs, Barbie, Mickey Mouse, tops, chess, checkers, Slinky, playing cards, abacus, jack and kites. The team stresses that toys children play with today have a history or roots that go way back. Toys have changed somewhat over the years, but are still enjoyed today.

Mark Your Calendars-Car Show August 14

The museum is looking forward to hosting another Car Show in the Park on Sunday, August 14. Early announcement flyers were sent out to previous car show

participants. If you did not receive an announcement, or you would like to be added to our list, leave a message at the museum for Marcia Werne or Kathy

Bachman and they will take care of what is needed.

Play Days a Hit

The museum held two Play Days on Thursday and Friday, February 24 and 25 in conjunction with the opening of the Toys and Dolls Exhibit. Judging by the many smiles and number of families and children

that attended, it was a great success. Organizer Kathy Bachman had pulled out the many play items collected with our Storytime program and had them set up for two fun play days.

Many had expressed that they would like to see more play days.

If you are interested in helping with the Play Days, contact Kathy at 812-630-8696. She would like to form a small committee to help with set up and tear down and with adding any new ideas..
