Storytime Sat. June 8 at 10:30

Bring your pre-school children in for Storytime on Saturday, June 8, beginning at 10:30 a.m. in the Little Pioneers Area at the museum.

Carrie Holdsworth will delight your children, grandchildren with sev-

eral readings from theme chosen books, then will lead crafts, AND may take all on a sightseeing trip around our fast museum.

All this on the theme of dads and sports! Can't wait to see what she shares on those themes!

She promises that she will not throw you any curves! (a little pun on the sports theme.) Thank you to the Optimist Club of Jasper for again sponsoring this event and other children's programming at the museum.

Chess Nights on Mondays are Stopping

Recently received word from Bob, our Chess Night on Mondays coordinator, that the May 20, 2024 date was the last night for the Chess Night on Mondays at the museum.

Bob cites that after promoting

the program for a year, the interest just was not there to keep the program running.

Thank you to Bob and his wife for offering the program and thank you to those who supported the program.

The Chess Day, that is scheduled in March, will still be provided.
